## Hot Spot & Itch Relief Medicated Spray

Provides immediate relief from itching caused by hot spots and allergies. Moisturizing formula helps give relief to dogs with hot spots, scrapes, and abrasions.

**DIRECTIONS FOR USE:** Spray 6 to 8 inches from affected area, avoiding eyes, mouth or mucous membranes. Use as often as needed for continued relief. Do not use on puppies under 6 weeks of age. If symptoms persist, please consult your veterinarian.

**ACTIVE INGREDIENTS:** Benzethonium Chloride 0.2%, DL-Panthenol 0.05%.

**INACTIVE INGREDIENTS:** Water, Lauryl Glucoside, Polysorbate 20, Apple Cider Vinegar, DMDM Hydantoin, Green Apple Flavor, Tetrasodium EDTA, Witch Hazel, Tea Tree Oil, Aloe Vera Gel, Allantoin, Vitamin E Acetate.

Store at room temperature

### WARNING:

For external use only. Keep out of reach of children.
