

Sulfodene®

Ear Cleaner For Dogs & Cats

Reduces the risk of infection or inflammation, loosens wax and debris, soothes irritation, and may reduce ear odor.

INDICATIONS: For routine cleaning of pet's ears during grooming.

DIRECTIONS FOR USE: Gently squirt a liberal amount into your pet's ear canal. Gently massage the base of the ear to loosen wax and debris. Allow the pet to shake the liquid out of its ear. Use a cotton swab to remove any remaining deposits of wax or debris on the outer ear. Never insert swab or other object deep into the pet's ear canal.

INGREDIENTS: USP purified water, alcohol, acetic acid, nonoxynol 12, methyl paraben, fragrance, dm dm hydantoin, aloe vera gel.

WARNING: For external use only. For animal use only. Keep out of reach of children. Discontinue use and contact your veterinarian if redness or irritation persists for more than one week, or if pet exhibits signs of ear infection such as hearing loss, head tilting, and/or circling.
